

National Center for Teacher Residencies Partnerships by Focus Area

The following list identifies the National Center for Teacher Residencies' (NCTR) partner programs by the specialized content areas of their teacher residency programs. While all NCTR partners address the needs of local, high need districts, these programs prepare residents in the chronic shortage areas of STEM, Bilingual/English Language Learners, Special Education, Secondary, and Trauma Informed Practices. This is not an exhaustive list of NCTR partnerships.
